About US

Carisma, established in 2018, is a leader in ocean, air, and land transportation in Egypt. We quickly gained a strong reputation by offering competitive rates and exceptional service, starting with 60 clients. Key projects include transporting equipment for the Metro project and collaborating with Menard Company.

By 2020, we expanded our client base significantly, partnering with major companies like Raw Material Co. and Grand Group. Our continued success in 2021 solidified our position in the logistics sector, showcasing our expertise in managing complex transportation challenges.

OUR STRATEGY

Our intellectual capital is the key element of our success. We believe in treating our customers with respect and trust. We grow through creativity, invention, and innovation. We integrate honesty and business ethics into all aspects of our operations. By adopting innovative ideas tailored to meet our customers' needs and adhering to international standards set by FIATA, we excel in logistics. Our goal is to build a strong reputation in the field of freight forwarding and become a key player in the Middle East.

OUR SERVICE

Air Freight

Ocean Freight

Inland Freight

Air Freight

We offer an excellent air freight service that prioritizes fast delivery and is renowned for its efficiency and speed, often likened to “rocket delivery.” Our high business volume enables us to secure bookings even during peak seasons, ensuring we can support our customers during critical times. We strive to provide the most cost-effective options for pickup, packing, warehousing, and any special requirements, all with the goal of satisfying our partners and customers and helping them achieve their objectives.

Ocean Fright

We offer a unique sea freight service that focuses on efficiently managing the time between all parties involved. Our privileged system is designed to handle business in a timely manner, leveraging our recognized relationships and contracts with shipping lines to secure the most competitive rates and priority bookings during peak seasons.

Inland Freight

We are committed to fulfilling all of our customers' wants and needs, both domestically and internationally. Our diverse range of services includes final destination delivery and the option to use our multimodal solutions. We guarantee peace of mind for our agents and customers through a system of high standards that ensures security, accuracy, and affordability. No matter where your final destination is, we always provide a tailored, effective solution.

CUSTOMER CLEARANCE

The key to excellent customs clearance is not just about releasing the cargo, but also about considering how, when, and at what cost to accelerating the shipment release process. Our professionalism ensures smooth and efficient clearance, facilitated by specialists with extensive experience in handling diverse commodities and staying updated on governmental regulations. What sets us apart in the field of customs clearance is our meticulous attention to the most crucial factor: time we prioritize releasing shipments as quickly as possible, while also focusing on managing costs effectively, which we consider one of the secrets to our success.
